

LIFTING THE BONNET ON AUSTRALIA'S SCHOOLS

Looking into further development of
the national evidence base for early
childhood and school education

Over the last 10 years government spending has increased

24%

ACROSS AUSTRALIAN SCHOOLS

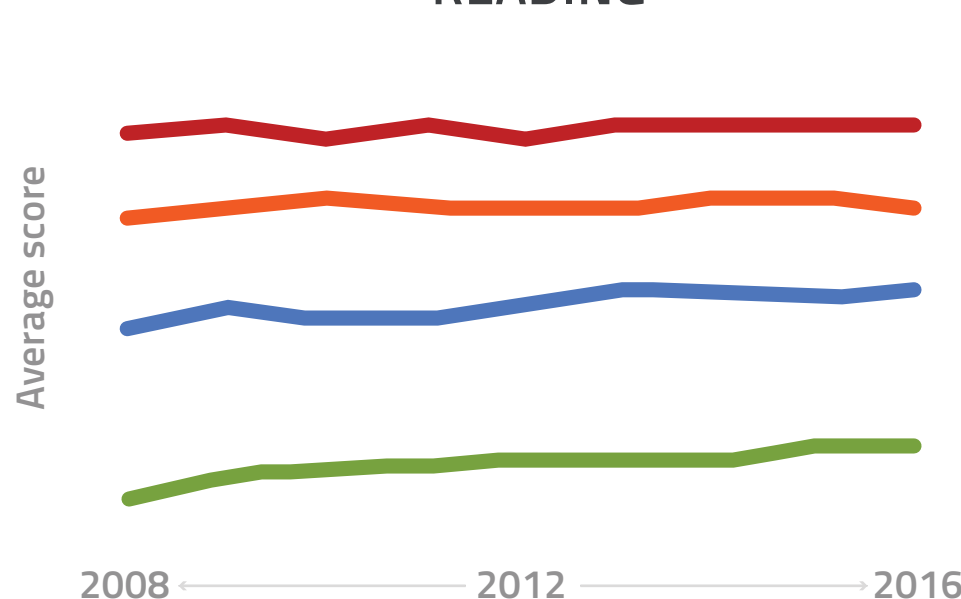

14%

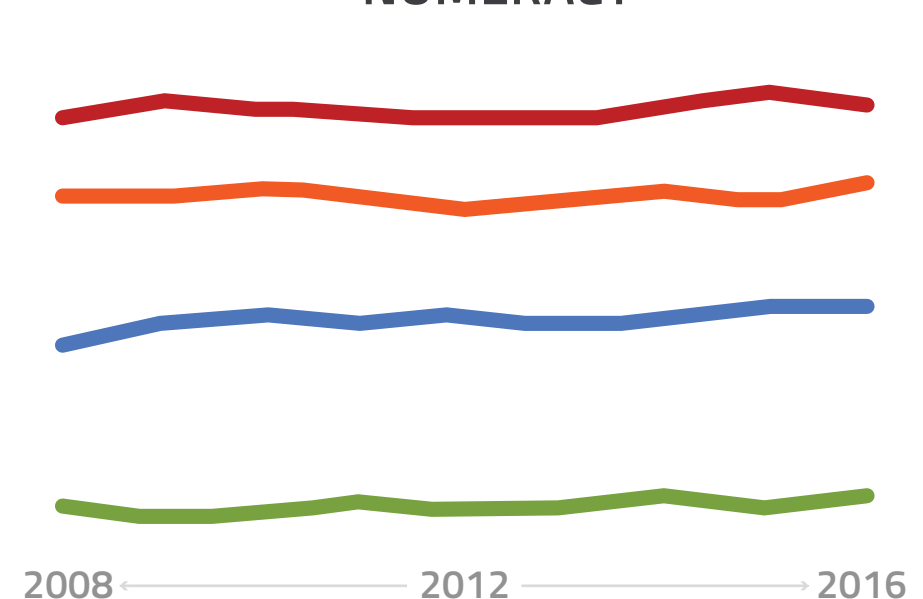

PER STUDENT

But, performance of students remains static...

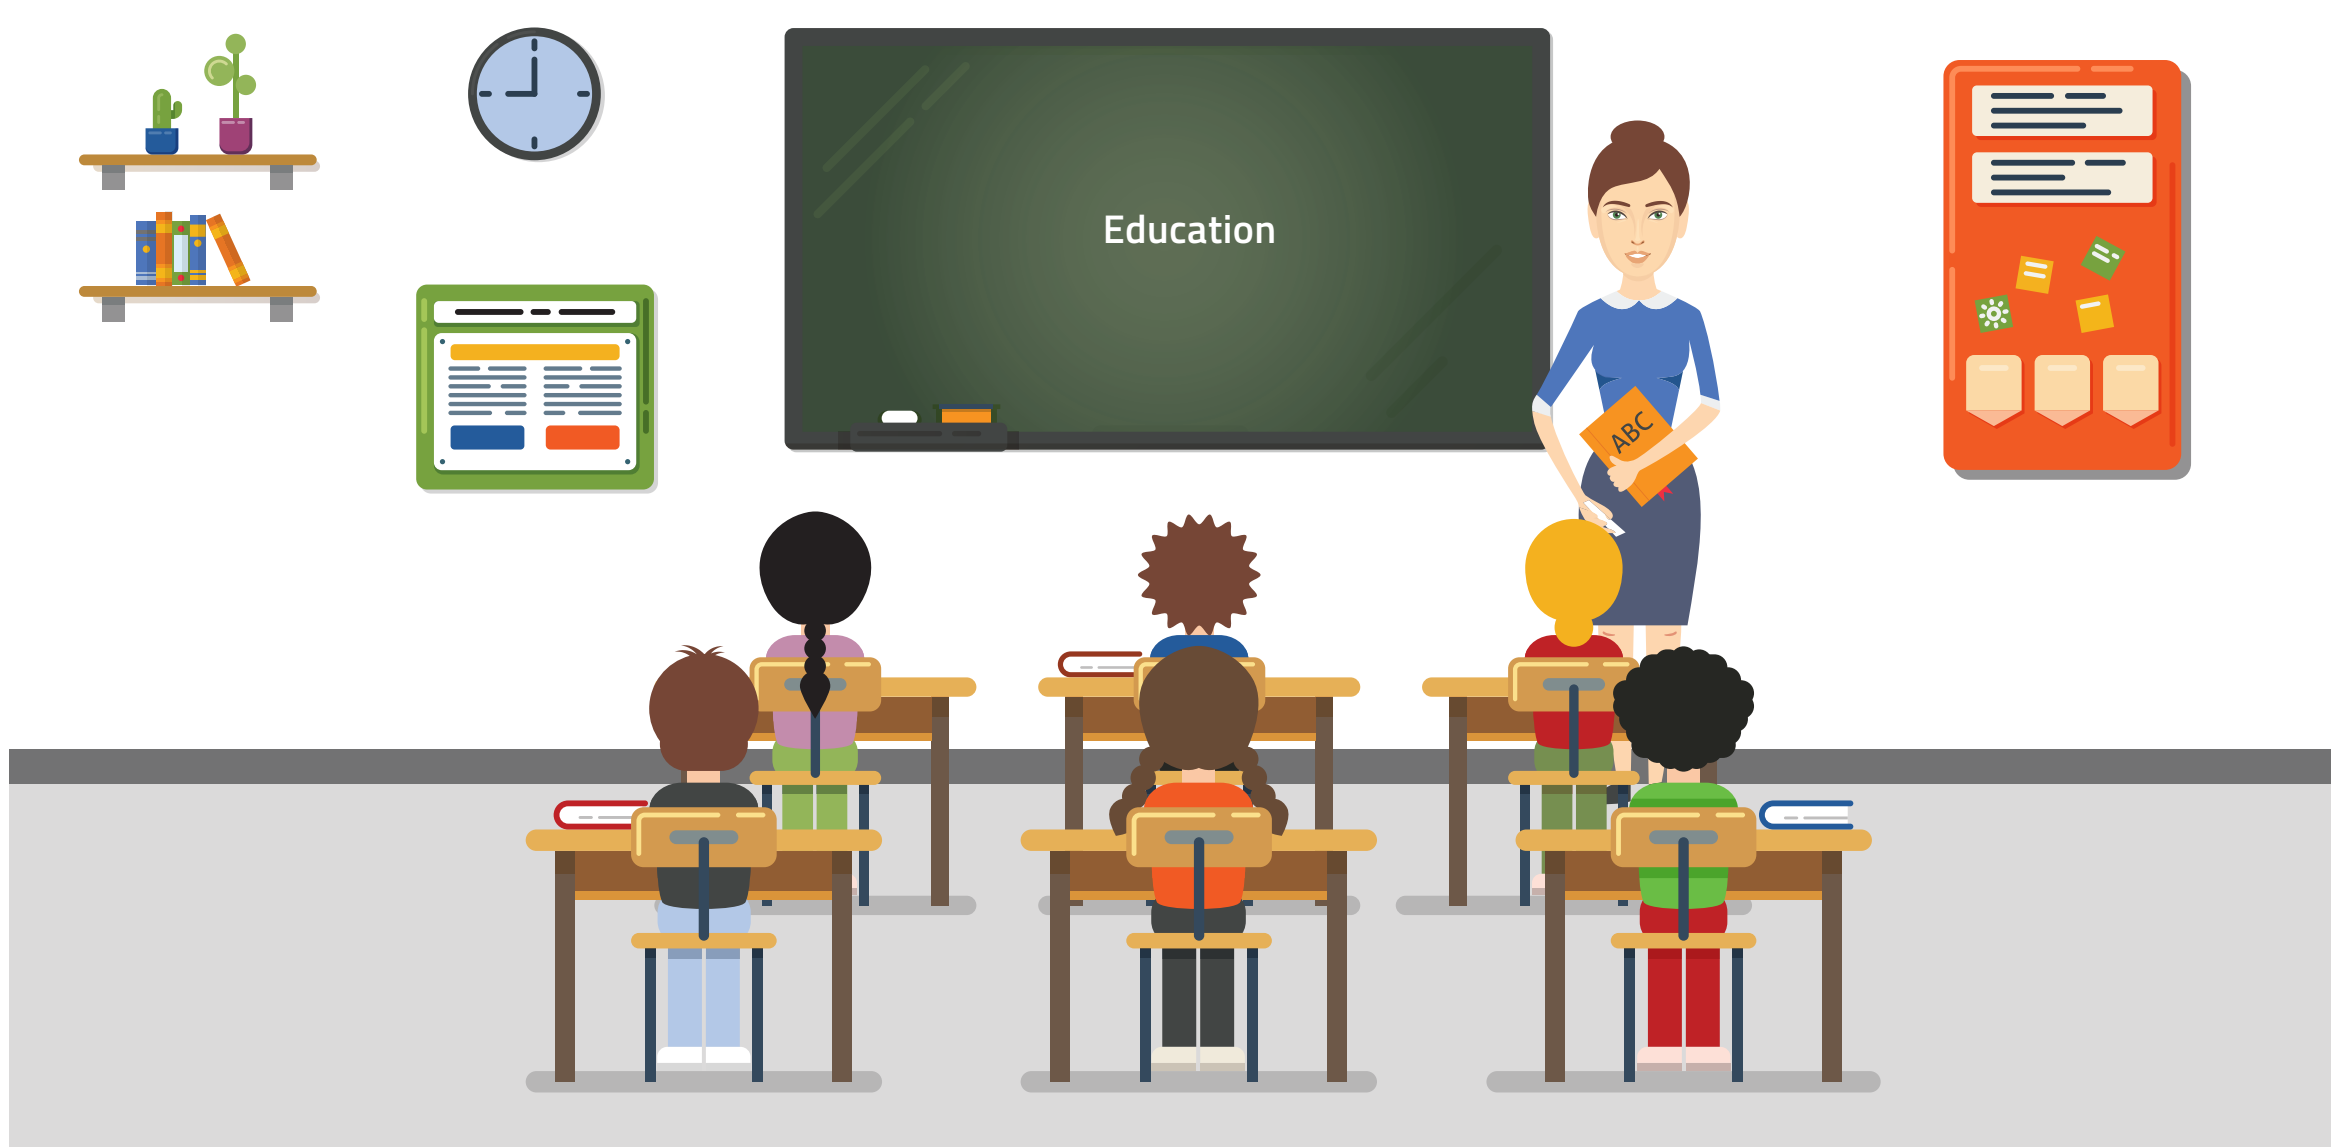

READING

NUMERACY

Looking within the classroom is paramount to improving
education outcomes for all students

After accounting for student characteristics

Teachers have
the greatest impact
on student performance

A National Education Evidence Base

The aim is to evaluate what works best, for whom and
in which circumstances and create information to
support decision makers at all levels...

CHILDREN & FAMILIES

TEACHERS

SCHOOLS

GOVERNMENTS

...and drive continuous improvements
