* We collect this information so that we can observe levels of engagement with Aboriginal and Torres Strait Islander people and organisations during this project, and to assess whether we need to alter our processes to encourage greater engagement.

Only staff of the Productivity Commission will be permitted access to this information. The information will be stored on secure, password-protected ICT systems and destroyed in accordance with terms detailed in the appropriate records authorities. Information about individual participants' Indigenous origin status will not be disclosed or published for any reason. However, we may publish the final total numbers or proportions of Indigenous engagement in this project.

You can seek access to our records of this information, and ask us to correct the information we hold about you, at any time. For more information, see our [**Privacy Policy**](#)

Please note:

- Copyright in submissions resides with the author(s), not with the Productivity Commission.
- **Public material:** Following processing, public submissions will be placed on the Commission's website. **Submissions will remain on the Commission's website as public documents indefinitely.**
- **Confidential material:** As this is a safeguards inquiry, 'in confidence' material can be accepted only under special circumstances. The Commission will decide whether to accept it as such. **You should contact the Commission before submitting this material.**
- For submissions made by individuals, only your name will be published on the Commission's website. All other contact details will be removed from your submission.

Please indicate the status of each document included, as part of this submission:
