Participant background

1. For the purposes of this consultation, which of the following best describes you:

I am an interested community member

2. Which of the following care sectors will your feedback relate to? Please select all that apply.

Disability

3. What kind of care supports, services and programs do you have experience with, and in what jurisdictions?

The participant did not respond to this question.

1. Reform of quality and safety regulation to support a more cohesive care economy

1. To what extent do differences in quality and safety regulation make it costly or complex to provide or access care services?

To a great extent

2. What are the reasons for your answer?

New learning, extra cost

3. To what extent should quality and safety regulations be more aligned across the different care service sectors and jurisdictions?

To a great extent

4. What are the reasons for your answer?

If similar, probably the same

2. Embed collaborative commissioning to increase the integration of care services

1. What is your experience with collaborative commissioning

The participant did not respond to this question.

2. What are the benefits of pursuing greater collaborative commissioning?

The participant did not respond to this question.

3. What are the barriers to collaborative commissioning, and do you have any suggestions for solutions that would lead to better collaboration in the commissioning of care services?

The participant did not respond to this question.

3. A national framework to support government investment in prevention

1. What are the main barriers to governments investing in evidence-based prevention programs across the care economy?

Evidence

2. What are some examples of successful prevention programs (this could include discontinued programs)?

Any care is preventing further injury, therefore are examples.

3. How can governments better support investment in prevention activities that have broad and long-term benefits for the Australian community?

Introduce value for money, so private sector are investing.
