To The Productivity Commission

Thank you for the opportunity to comment on the Evaluation of Mutual Recognition Schemes , Draft Research Report.

As a regulator, the Nurses Board of South Australia (NBSA) has a strong interest in Mutual Recognition and appreciated meeting with Commissioner Tony Hinton to discuss issues and make comments during the initial consultation process.

The report is clear and covers issues raised by the NBSA. The recommendations in terms of the regulation of occupations are supported as a logical progression for the future.

Regards
