Subject: Confirming interview 10am tomorrow [SEC=OFFICIAL]

OFFICIAL

Hi ,

Confirming Dani interview with John Kehoe for tomorrow morning 10am. She can call him on

Below is the original invite for the calendar event:

Would Danielle Wood be available for a chat this week about the outcomes so far from the economic roundtable and where to from here?

Below is a list of policy announcements to date from the government.

I'd be interested in little bit of background from Danielle about what has been happening behind the scenes since the roundtable

Plus some comments assessing the policy announcements so far and where to from here heading into next year, including the PC's final 5 x reports (timing etc).
