**National Competition Policy analysis 2025 - Call for submissions**

Dear Productivity Commission,

Thank you for the opportunity to present a submission regarding Australia's National Competition Policy.

The Australian Construction Industry Forum has the following policy priorities:

- 1.) Drive cultural change to build fair, inclusive and respectful workplaces.
- 2.) Harmonise security of payment laws and provide better security of payment protections.
- 3.) Skills shortages in the construction industry to be addressed.
- 4.) Increase the affordability and accessibility of Australian standards.
- 5.) National Construction Code updates to remain at a three-year cycle.
- 6.) Address the issue of professional indemnity insurance for professions in the construction industry.

Please see attached our 2025 Policy Priorities document.

Please do not hesitate to get in touch if you require any further information.

Yours sincerely,

**Dr James Cameron**

Executive Director

Australian Construction Industry Forum
