Dear Sir

Michael John Parker (47 years) was to be released from Yarra Bend on the 22 April 2002 when his 3 years Probation from Judge Christie, Sydney, NSW expired. Instead a Judge from 55 King St held a tribunal and (forced), stolen my son from his family, by using a 1977 fabrication charge (not conviction).

“The Judge can prove this. He still has my letter and made Lois Barnes his guardian?” She is holding Michael John Parker illegally, also unlawfully, by the help of VCAT panel, Yarra Bend Disability Centre, Fairfield, Melbourne, Vic,

“His Human Rights, are not only being violated but also strangled by those charged with it administration”? He is being harassed (inhumanly) because of his Disability of:

- 1) Cannot read or write
- 2) Limited speech and understanding,
- 3) he is left handed
- 4) (Vocabulary)
- 5) Impediment in his speech

If you want evidence documents to prove this please reply before 12 July 2003

Thank you

E Hutson

PS “He cannot be forced to do what he can’t do?”

Lois Barnes refused to release Mr Parker to go into Albury or Wagga Wagga NSW, to his family to clear his name before a court of the law and the axiom

Truth

You should know what that means.
