Ms Helen Owens
Presiding Commissioner
Productivity Commission
Disability Discrimination Act 1992

Dear Ms Owens,

There has been no compliance by Connex for the Burwood Station in Victoria relating to Disability Standards for Accessible Public Transport 2002.

I suggest that you visit Burwood Station in Victoria along with the Commission. There is no disabled toilet, no ticket arrangements for the disabled, no ramp rails etc. for the disabled.

Please publish the enclosed material on the public pages. Enclosed is the Disability Standards for Accessible Public Transport.

Thank you

Yours sincerely

Melville Miranda
