

See the person

Transcript of video

[Gentle classical music begins to play until end of video]

Please read.. and think.

When you look at a person with a disability...

what do you see?

Do you see a wheelchair?

Or maybe how they look?

Do you see an embarrassment to be around?

Or someone to make fun of?

Do you see someone to pity?

Well then...

you need to take a longer look.

When I look at a person with a disability...

a person is what I see.

Someone who is just living their life.

Someone that loves.

Someone that dreams.

Someone that cries.

Someone that breathes.

But most of all..

Do you know what I see?

I see me!
