- > Access to all restricted areas would be monitored by electronic swipe access panels or card readers.
- > All RSL membership cards shall enable the encryption of the card for members to either be identified as a self excluded person, or in the alternative to be excluded from the use of ATM facilities.
- > All ATM screens would be programmed to provide responsible messages.
- > All ATM's would produce a receipt that will have printed on it a suitable responsible gaming message.
- > ATM's will be programmed only to dispense \$20 notes up to a maximum of \$200.00 in any one transaction and \$400.00 in any one day.
- > The RSL membership card is common across the whole of the Victorian RSL network and any encryption on the card to restrict access will apply to all RSL Sub-Branches in Victoria.
