To whom it may concern,

In regards to the Productivity Commission conducted by the government.

Our 140 sow piggery has been affected to the extent, my son had to leave home and found work on a Cattle Station in the Mt Isa District, he is now 2000km from home.

I have a job 4 days a week driving gravel and grain truck, which leaves my wife to do 80% of the work at the piggery.

Our profit has been reduced to below zero we can not continue any longer.

Yours faithfully
