

[Received by email 15/12/08]

Please find second submission to the above inquiry. It deals with:

Education and Training; and health care and social assistance.

Yours truly
Carol O'Donnell, *[address supplied]*

Note by Productivity Commission

Several attachments were provided with this submission. These are available on request from the Commission:

1. Health and Education for Sustainable Development and the Australian Carbon Pollution Reduction Schemes
2. Submission to the Australian Health Minister's Advisory Council on a National Registration and Accreditation Scheme for the Health Professions
3. Marxist Feminists May Seek Death Through Freer Markets: And That's a Fact, Jack!
4. If Human Rights are Forged in Struggle, Baby, Why Wait?
